*Note: These prices include mainline electrical connection and secondary wiring charges.
Shell scheme exhibitors should refer to this pricing when ordering. The Shell scheme stand includes 1 power outlet and 2 LED arm spotlight so this is only for extra items.

Primary Power Supply (Only for Space Only Stand)

Space only exhibitors will not be supplied with any electrical supply. They need to order primary mainline power supply to SAKURA International whereas may hire their contracted licensed electricians to conduct the secondary wiring works. Should you want to place any extra electrical items you will have to check the capacity in your stand to cover this. Please add up total power requirements for any additional electrical appliances you/your electricians brought, and order mainline using this form.

*Note: Shell scheme exhibitors do not need to apply this.
